Dear Mr. Eid:

I regret to inform you that at its meeting on April 10, 2019 the Promotions Committee denied your appeal regarding reconsideration of your dismissal from the school of medicine. The committee reviewed and discussed your written appeal statement and determined that the information you provided was not sufficient to reverse their decision of dismissal made on February 27, 2019. This is the final action at the school of medicine.

You may appeal this final decision of the school to the Provost of the University. Please refer to the paragraph below for the academic appeal procedure:

If, after your School/College appeal path is exhausted and you wish to continue with the grade appeal process, per the University Academic policy, you may request a Provost Review within 30 days of this decision. The request should be submitted via the online form located at <https://provost.wayne.edu/academic-policy>. For assistance with the appeal process, you may contact the Ombudsperson Laura Birnie-Lindemann at ombudsoffice@wayne.edu.
